FORM F: FORMAT FOR TECHNICAL PROPOSAL

Name of Proposer:	Click or tap here to enter text.	Date:	Click or tap to enter a date.
RFP reference:	ZA99/RFP-20034/23 – TECHNICAL PROPOSAL		

The proposer’s proposal must be organised to follow the format of this Technical Proposal Form. Where the proposer is presented with a requirement or asked to use a specific approach, the proposer must not only state its acceptance, but also describe, where appropriate, how it intends to comply. Where a descriptive response is requested, failure to provide the same will be viewed as non-responsive.

Section 1: Proposer’s qualification, capacity and expertise

- 1.1 Brief description of the organisation, including the year and country of incorporation, and types of activities undertaken.
- 1.2 General organizational capability which is likely to affect implementation: management structure, financial stability and project financing capacity, project management controls, extent to which any work would be subcontracted (if so, provide details).
- 1.3 Relevance of specialised knowledge and experience on similar engagements done in the region/country.
- 1.4 Quality assurance procedures and risk mitigation measures.
- 1.5 Organization’s commitment to sustainability.

Section 2: Proposed Methodology, Approach and Implementation Plan

This section should demonstrate the proposer’s responsiveness to the TOR by identifying the specific components proposed, addressing the requirements, providing a detailed description of the essential performance characteristics proposed and demonstrating how the proposed approach and methodology meets or exceeds the requirements. All important aspects should be addressed in sufficient detail and different components of the project should be adequately weighted relative to one another.

- 2.1 A detailed description of the approach and methodology for how the Proposer will achieve or exceed the requirements of the Terms of Reference, keeping in mind the appropriateness to local conditions and project environment. Detail how the different service elements shall be organised, controlled and delivered.
- 2.2 Provide comments and suggestions on the Terms of Reference: have the important aspects of the task been addressed in sufficient detail? Are the different components of the project adequately weighted relative to one another? Include additional services that will be rendered beyond the requirements of the ToR, if any.
- 2.2 The methodology shall also include details of the Proposer’s internal technical and quality assurance review mechanisms.
- 2.3 Explain whether any work would be subcontracted, to whom, how much percentage of the work, the rationale for such, and the roles of the proposed sub-contractors and how everyone will function as a team.
- 2.4 Description of available performance monitoring and evaluation mechanisms and tools; how they shall be adopted and used for a specific requirement.
- 2-5 Demonstrate how you plan to integrate sustainability measures in the execution of the contract.
- 2.5 Implementation plan including a Gantt chart or Project Schedule indicating the detailed sequence of activities that will be undertaken and their corresponding timing.
- 2.7 Any other comments or information regarding the project approach and methodology that will be adopted.

Section 3: Management Structure and Key Personnel

3.1 Describe the overall management approach toward planning and implementing the project. Include details of key personnel including their name and nationality, the Position they will assume and their role as per the ToR. Include an organisation chart for the management of the project describing the relationship of key positions and designations. Provide a spreadsheet to show the activities of each personnel and the time allocated for his/her involvement.

3.2 For each of the key personnel provide: the CV using the format in Form H and the statement of exclusivity and availability using the format in Form I.
